In that moment.

There.

U

she

U

Syringa

-sigh-

...

-sigh-

...

...

...

...

Finally...

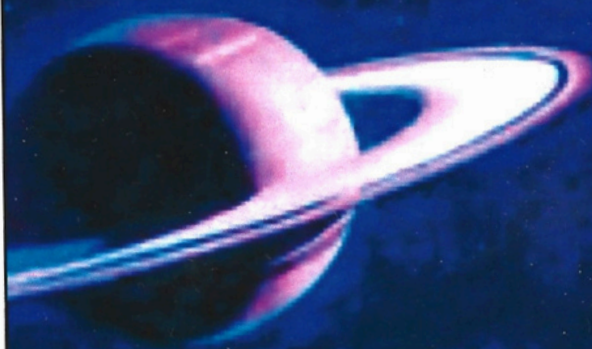

In that age of melancholic despair and dust

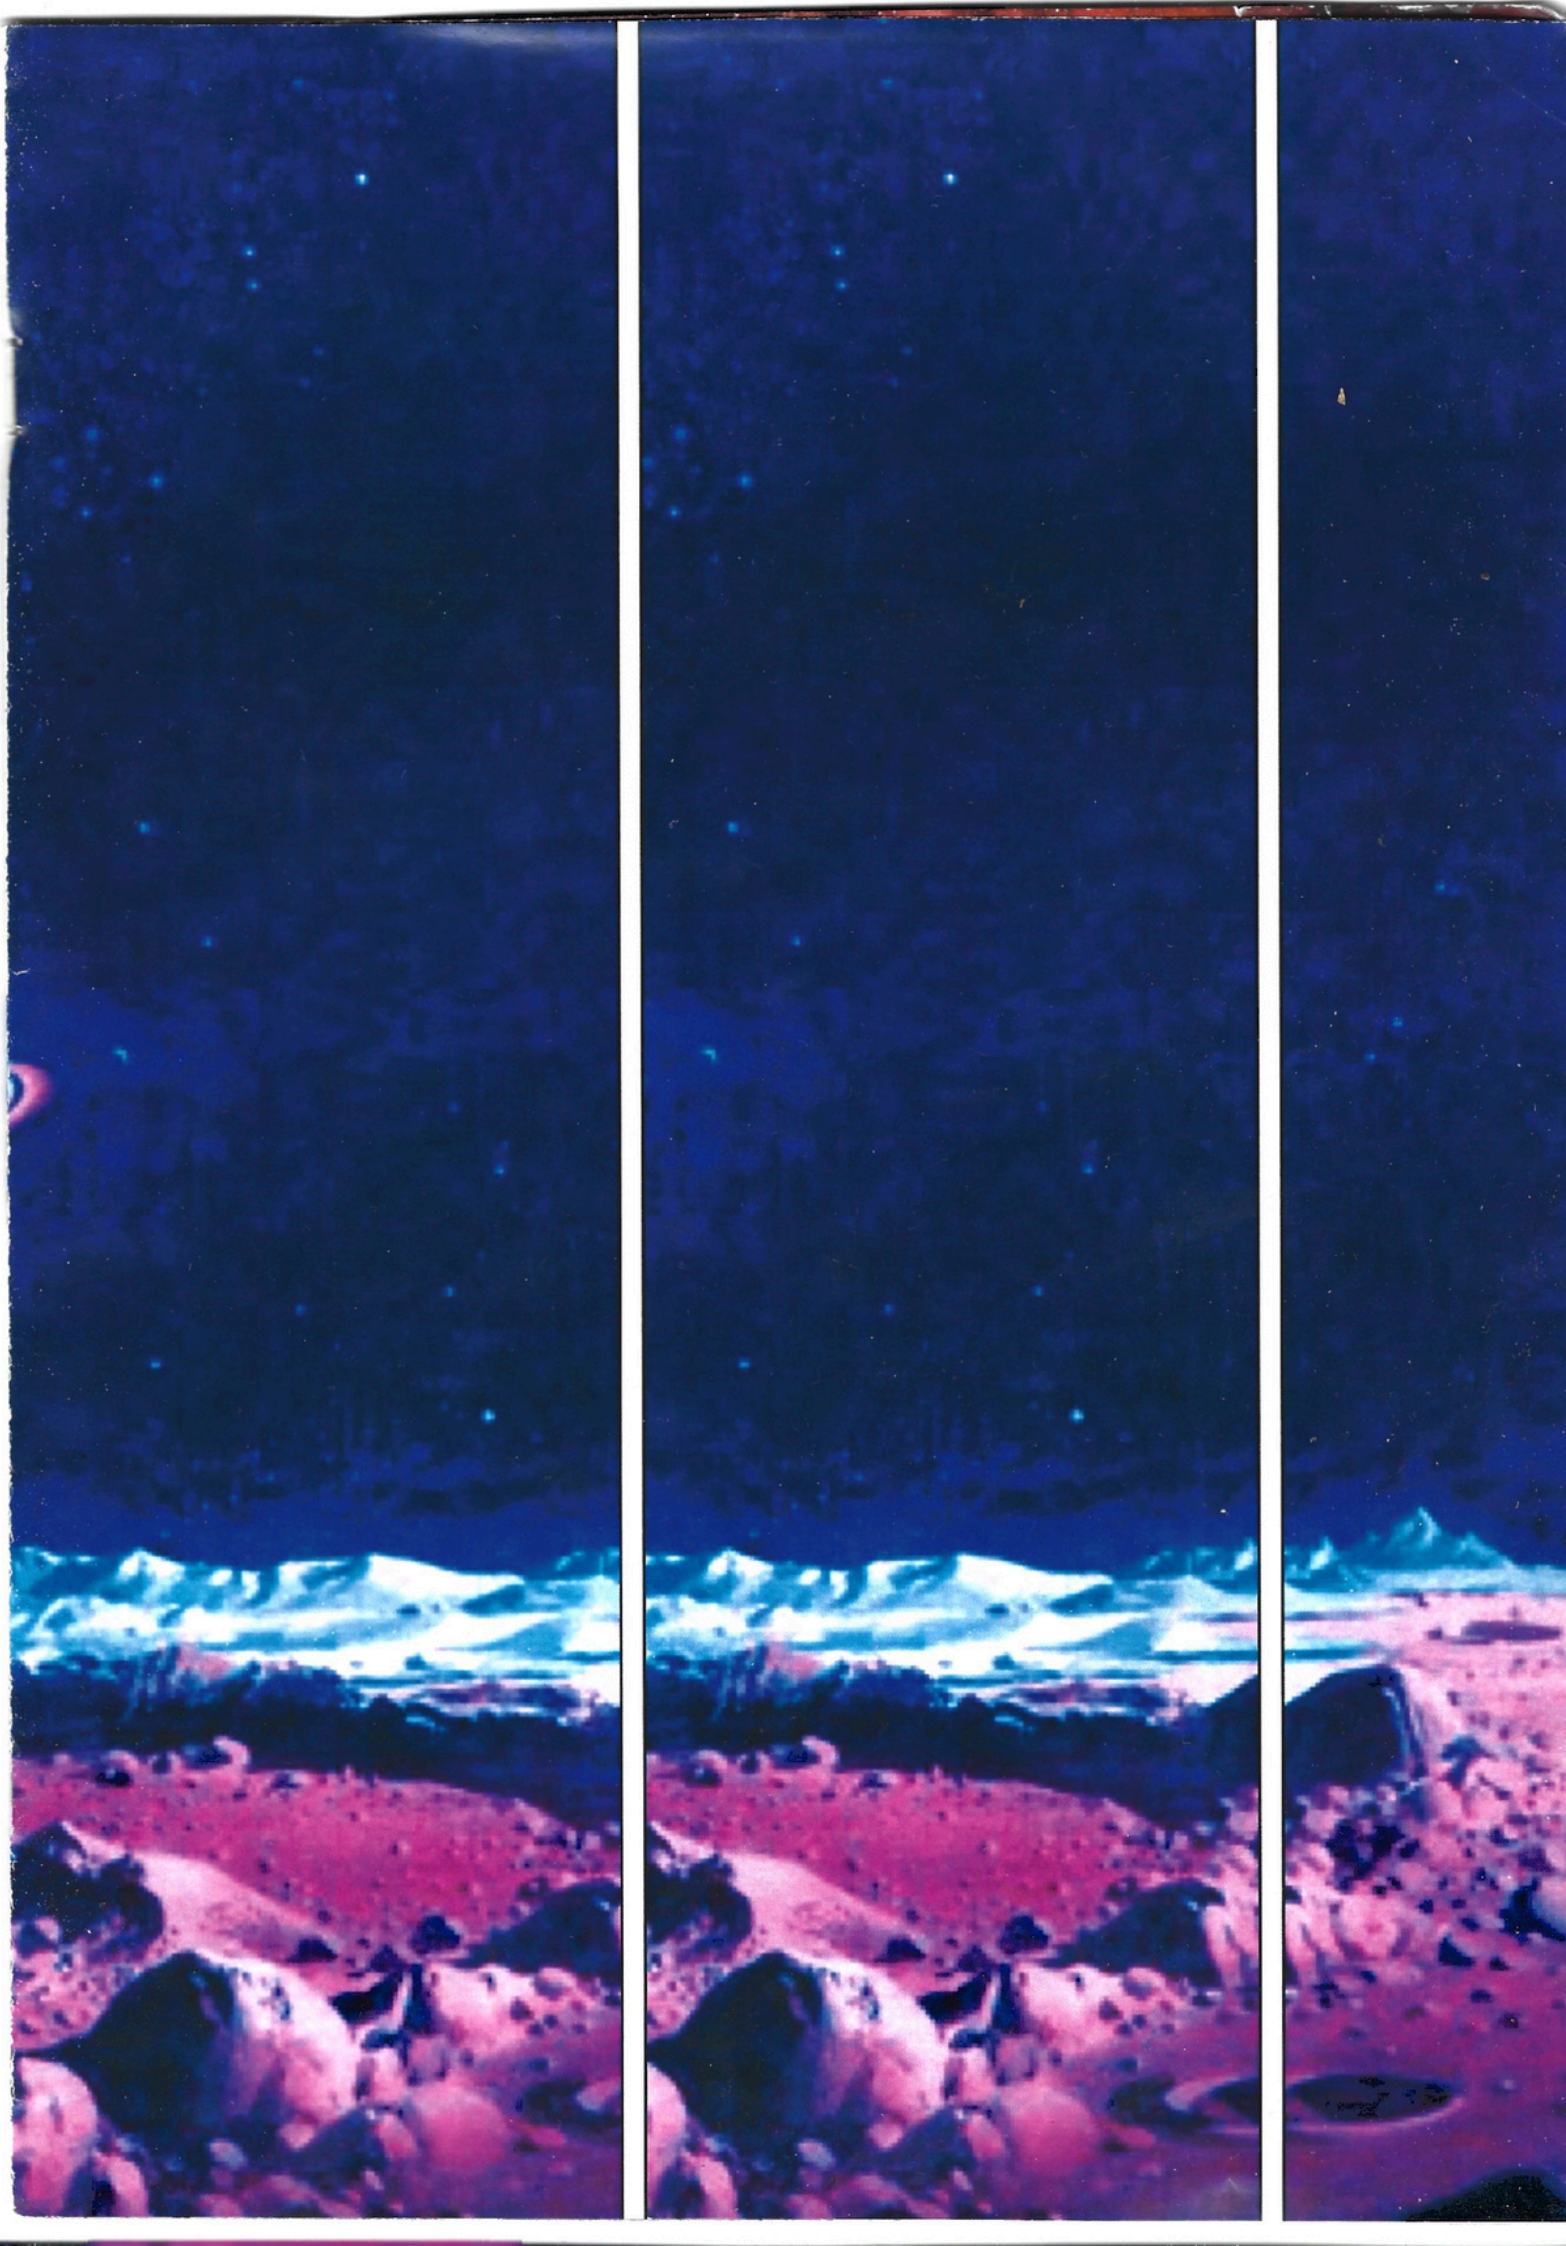

after eons of wearisome boredom...

...

I dreamed with her

...

it was then, when I realized...

...that...

...

I was becoming a silent slave

-sigh-

...

...and questions appeared in my mind as a bright dePlagation of automation in the storm of thought

why can I stop coughing up black blood?

What I pretend to do here?

when it all began?

what happens if I'm dreaming?

when can I see her again?

why I'm telling this to you? bastard

where is the hole?

Who the fuck am I?

Why can't be
you, with you?

AND SUDDENLY...

across
realities

!just for her!

...that space exist, and there is
to you and me, that I will die...

Living her existence
beyond the constellations

alone together

Must leave your
loneliness unbroken!

let everything, wanna see
with you the cosmic fire

another ones

Now.

Here.
